Connection

Micro-Electronics Packaging
Facilities Components & Equipment
Wafer & Specialty Materials

*We deliver the most innovative and
reliable solutions to the semiconductor
and other high-tech industries.*

Distributor You Trust

Micro-Electronics Packaging

Front Opening Unified Pod

Process Wafer Carriers

Horizontal Wafer Shipper

Multiple Film Frame Shippers

Chip Trays

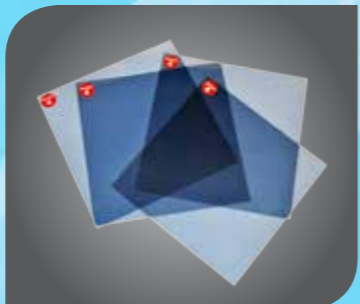

Vacuum Release Tray

Membrane box

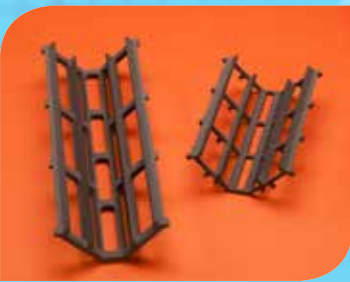

Gel-box

Gel-Film

Wafer & Specialty Materials

Silicon Carbide Carriers

Graphite E-Beam Crucibles

Dummy / Test Wafers

Facilities Components & Equipment

Pressure Transducer

PFA Tubings & Pipes

Electronic Flowmeter

Chemical Dispense System

PFA Valve

PFA Filter Housing

Liquid Filters

Gas Purifiers

Gas Filters

Wafer Packing/Unpacking Equipment

FKM / FFKM O-Rings & Seals

Slit Valve Doors & Centering Rings

Distributor for:

Established in year 2000, Silicon Connection's primary role is in the distribution of products and services to the semiconductor and other high-tech industries in South East Asia.

We believe in

BUILDING POSITIVE BUSINESS RELATIONSHIPS WORLDWIDE

Semiconductor

Data Storage

Solar

TFT & Optics

Bio Technology
